Clinical Associate

Full & Part-time Positions Available

We're looking for Clinical Associates to join our experienced & nurturing interdisciplinary team in working from a psycho-biological, somatically-based lens.

WHAT WE OFFER:

- Competitive compensation
- Flexible schedules (in-person and virtual options)
- Opportunities to serve marginalized populations
- Full administrative and psychometric support
- Leadership, mentorship, and innovation opportunities
- Weekly clinical team meetings & peer consultations
- Dedicated office space for full-time clinicians
- Newly renovated, accessible office space
- Waiting room with snacks, drinks, and toys for clients
- Cloud-based clinic software (OWPL and MS TEAMS) for virtual sessions
- Comprehensive assessment materials, including digital tools

Applicants must be working toward or eligible for registration with a regulated mental health college in Ontario (such as OCSW/SSW, CRPO, or CPO). Supervision is available for those working toward independent practice or registration.
